

General Guidelines MINERALIS

Messegelände Berlin, Messedamm 22, D-14055 Berlin

Berlin 20. - 22. November 2020

1. Registration:

Please return the registration by 1 July 2020.

You will then receive an invoice that serves at the same time as confirmation of your booth. Withdrawal is possible at any time until the registration deadline of

1 July 2020. Thereafter, a conditional release from the contract can only be agreed subject to reletting the stand. Compensation of 25% of the stall money is to be paid.

If deregistration does not take place in writing, the stall money is due even if the exhibitor does not attend. Each part of a metre of exhibition area will be invoiced in full. If more area is claimed and occupied after the fact than has been registered for, the additional amount is due immediately and is to be paid in full later. **Processing fee when paying on site: Euro 20 plus legally applicable VAT.**

The booth may only be occupied after complete payment of the fees. Booths may not be shifted, pulled apart or expanded forward or to the side, or else the booth must be completely dismantled! There is no entitlement to admission.

2. Payment:

After receiving the invoice and booth confirmation, please pay by bank transfer to the account: "Pfundt, Berlin-Mineralien",

acct. Deutsche Bank AG;

IBAN: DE 88 100 708 480 4536876 01 BIC (SWIFT): DEU DE DB110

3. Set-up and dismantling:

Thursday,	19 Nov. 2020 12 -10 pm
Friday,	20 Nov. 2020 7 -10 am
Saturday,	21 Nov. 2020 8 -10 am
Sunday,	22 Nov. 2020 8 -10 am and 6 -12 pm

Early booth set-up is possible on **Wednesday, 18 Nov. 2020** from 10 am to 10 pm only upon prior notification. The costs of 15 Euro per m² plus legally applicable VAT are to be paid to the Messe Berlin.

Opening times for visitors: daily from 10am – 6 pm.

It is essential to keep the back side of the hall clear or vacate it for loading and unloading.

4. Exhibitor's passes:

Each exhibitor gets passes depending on the booth size

1 "exhibition metre" (em) = 1 pass; 2 - 4 em = 2 passes;

5 - 7 em = 3 passes; 8 - 10 em = 4 passes; more upon consultation.

Additional passes cost Euro 10 each plus legally applicable VAT.

There is no free replacement of lost or forgotten exhibitor's passes.

The exhibitor's passes must be specifically identified by name and are non-transferrable. They are to be shown to the employees of Berlin-Mineralien at control points.

5. Deposit / parking tickets:

A deposit of Euro 100 is required from the exhibitors when entering the premises of Messegelände Berlin. This entitles you to park on the premises for 2 hours with a car, for 3 hours with a lorry up to 7.5 t. The grounds must **definitely** be left by the time marked on the parking ticket at the latest; **otherwise the deposit will be forfeited!**

After the end of the event, the site can be used for dismantling on Sunday,

22 Nov. 2020 starting at 6 pm without paying a deposit.

Parking on the trade fair site during the day is subject to charges. A separate parking ticket is necessary for trailers. The parking tickets will be sold in the exhibition hall before the event begins. The parking ticket is valid only during the opening hours.

It is forbidden to park on the trade fair site at night.

The fee for all three days is Euro 50 (incl. valid VAT).

6. Stand design / glass and plexiglass / advertising:

The exhibitor commits to having a well-equipped stand, lighting and covering the front side of the table. **Tables, walls and floors** may not be nailed or pasted over. **Adhesive strips must be removed by the participant independently.** There are no water connections or wastewater systems available for machine tools. This means the water cycle must be in a closed system together with the machine.

Only safety glass suitable for the construction and the intended purpose may be used for all stand constructions.

Handing out brochures or other advertising on the part of the exhibitors is permitted only at one's own stand. Displaying, distributing and using material as posters is not permitted unless agreed to by the event

organiser in writing. For reasons of fire protection, it is not permitted to decorate with artificial or silk plants. In accordance with the Assembly Area Ordinance (VStättV), bringing animals is not permitted during the time period of the event.

It is obligatory that the company and a name together with an address are attached to the exhibitor's stand in a clearly visible manner.

7. Fire alarm boxes / smoking:

The fire alarm boxes along the walls of the hall may not be blocked by display cases or exhibits. Direct access must be ensured. In addition, every exhibitor is to display a fire extinguisher of his or her own at the booth. There is a general ban on smoking on the premises of Messegelände Berlin.

8. Electricity supply:

Electrical connections are available.

Connection fees depend on the size of the booth:

1- 3 metres = 50 Euro, 4 - 6 metres = 60 Euro, 7 - 8 metres = 70 Euro, above 9 metres = 80 Euro, plus legally applicable VAT, incl. usage and irrespective of the number of watts to be connected.

Even if the existing electrical connections are not used, the connection fees will be charged.

Each participant is to provide his own lamps, extension cords and distributor boxes. The electrical equipment must meet the legal provisions of the VDE.

9. Waste removal:

The booth must be left clean after dismantling.

Since some exhibitors leave behind up to 1 cbm in trash packaging, this will be charged subsequently with the costs of currently Euro 50 plus legally applicable VAT per cbm. For this reason each exhibitor must take his own packaging material, crates, boxes, etc. with him.

10. Liability / insurance:

The event organiser does not take any liability for damage or loss of exhibited goods and the booth equipment. Each exhibitor is responsible himself for respecting all relevant customs and tax provisions.

Claims for damage shall be excluded in case of cancellation, postponement, relocation or early closing.

11. Data usage / protection

The exhibitor agrees that the data he has transmitted may be gathered, processed and used by the event organiser in accordance with the provisions of the federal data protection act and other relevant provisions on data protection in order to support and provide information from customers and interested parties as well as in order to carry out the services offered.

12. Objects on exhibit / goods on offer:

Minerals, fossils, gemstones, gold and silver jewellery, polished collectors' stones, grinding machines and accessories, stone figures, shells, corals, pearls, amber, crystal jewellery, wall decorations, wood jewellery, silkwork, costume jewellery, antique jewellery, synthetic stones, specialist books, display cases, collectors' accessories. All exhibits must have prices. A label must be attached with the designation of the type of mineral/fossil and where it was found.

Poisonous and radioactive minerals are to be expressly designated as such and only handed over to persons over 18. **Glued, dyed or synthetic articles are to be labelled accordingly. The consequence of non-compliance is being excluded from the exhibition.**

13. Visa:

Invitation letter for visa purpose are chargeable (30 Euro per person). Therefore you will get an extra form.

14. Exhibition objective:

As an international sales exhibition, MINERALIS offers all mineral and fossil collectors, museums, specialist dealers, representatives of related professions and suppliers of accessories the opportunity to acquire extensive information, to purchase, sell and exchange.

15. Other / severability clause

Place of performance and court of jurisdiction for all obligations is Berlin.

Should the general guidelines be partially legally ineffective or incomplete, this shall not affect the validity of the remaining stipulations nor of the contract. In this case the parties shall undertake to substitute for the ineffective stipulations or fill the gap by a provision that best achieves the commercial purpose pursued by the parties.
